Shot of the green pre-trailer screen, showing that the following preview is rated "P".

EXT. CANYONS -- DAY

We see a shot of HAL JORDAN flying a fighter jet erratically. The editing cuts to various shots, including ones of him doing loops, one of him ejecting and one of the jet exploding.

HAL JORDAN (V.O.)
When I'm flying... it feels like anything is possible. It's like, no matter how bad things get... there's something good out there, just over the horizon.

CUT TO:

EXT. BEACH -- NIGHT

Hal looks upwards at the stars, alone.

HAL JORDAN (V.O.)
Sometimes I look up to the sky and wonder. Are we alone?

There's a white light flying horizontally in the distance that Hal sees. It flies out of view and we hear a loud crashing noise. Hal springs into action, racing towards whatever it is. After some quick cuts, he's shocked to see a demolished vehicle with unbreakable panels of glass littering the scene. The POPE is lying in the flaming wreckage, horribly injured.

HAL JORDAN
Oh my God.

POPE
No... No blasphemy. What is your name?

HAL JORDAN
Hal... Hal Jordan.

The Pope opens his hand to reveal the Piscatory Ring in the palm.

POPE

Hal Jordan of Earth... this ring...
it chose you. Use its power to
defend Catholicism...

Cautiously, Hal puts on the ring. A CGI Pope hat appears on his head. His outfit becomes white spandex with a cross insignia on the chest.

POPE (O.S.)

Welcome to the Vatican Corps.
